

## How to sign in through the web app

*Don't Blink, because you might miss it!*

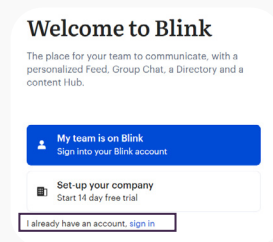

1. First go to the following URL:

[app.joinblink.com](https://app.joinblink.com)

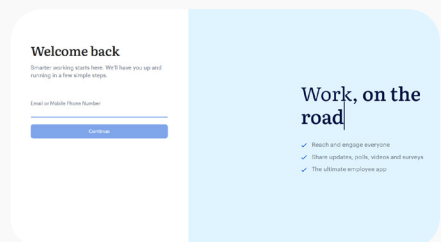

and it will take you straight to the web app.

2. This will then take you to the sign in page. You should click on "I already have an account, sign in".

3. Enter your email address. This will trigger an OTP (one time password) code to be sent to your inbox. This will give you access to Blink on your desktop.

## How to install Blink on your desktop

*Don't Blink, because you might miss it!*

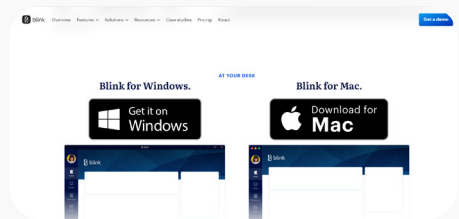

1. First go to the following URL:

[joinblink.com/download](https://joinblink.com/download)

You will then be taken to the install page for Blink.

2. Scroll down until you see the images on the right, you will be able to start the download. Just press the black box that is associated with your desktop!

3. The download will only take a few seconds. Once this is finished, you can begin accessing Blink from your desktop!

## How to install Blink on your phone

*Don't Blink, because you might miss it!*

1. You need to get Blink installed onto your device by heading to either the App Store, or Google Play Store. After that you should search for: Blink Employee

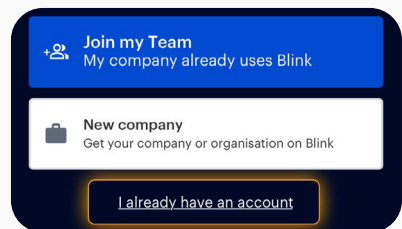

Google Play

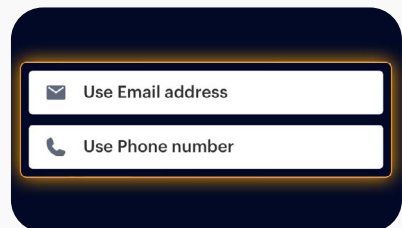

App Store

2. You will see three options, but only one is needed to access your already established device. That would be "I already have an account".

3. You will then be met with two options, using your email address or your mobile number. If you are struggling to remember which to use, contact the Community Partnership Department.
